Dear Sir/Madame,
University of Lyon, France, within the European Project "INNOSTORAGE - USE OF INNOVATIVE THERMAL ENERGY STORAGE FOR MARKED ENERGY SAVINGS AND SIGNIFICANT LOWERING OF CO2 EMISSIONS" is organizing a Training School with title "NUMERICAL MODELLING OF THERMAL ENERGY STORAGE SYSTEMS". It will take place in Lyon, France, from June 15th to 17th, 2015. Lecturers will be researchers of the European Project. They are highly experienced in issues of the main topic. The attendants will have the opportunity to share ideas with them. If you are interested, you may find additional information on the flyer and documents attached and at the website <http://www.innostorage.eu/joint.php>. We will appreciate your help, whenever possible, in disseminating this event. We are looking forward to seeing you in Lyon.

Yours Faithfully,
Prof. Luisa F. Cabeza and Dr. Kevyn Johannes
